## Activities that Both Occupations Have in Common

**Similarity of Focus Occupation to Associated Occupation: 100**

**Focus Occupation: Textile Winding, Twisting, and Drawing Out Machine Setters, Operators, and Tenders (51-6064)**  
**Associated Occupation: Textile Cutting Machine Setters, Operators, and Tenders (51-6062)**

| Work Activities   | Exclusivity of Activity |
|---|-------------------------|
| Adjust production equipment/machinery setup                               | 25                      |
| Clean equipment or machinery  | 20                      |
| Confer with engineering, technical or manufacturing personnel             | 25                      |
| Examine products or work to verify conformance to specifications          | 15                      |
| Inspect machinery or equipment to determine adjustments or repairs needed | 42                      |
| Load or unload material or workpiece into machinery                       | 34                      |
| Maintain consistent production quality                                    | 50                      |
| Maintain or repair industrial or related equipment/machinery              | 39                      |
| Monitor production machinery/equipment operation to detect problems       | 27                      |
| Move or fit heavy objects   | 8                       |
| Operate textile production equipment/machinery                            | 76                      |
| Perform safety inspections in manufacturing or industrial setting         | 33                      |
| Read specifications   | 23                      |
| Read work order, instructions, formulas, or processing charts             | 9                       |
| Recognize characteristics of cloth or fabric                              | 82                      |
| Set up production equipment or machinery                                  | 51                      |
| Understand technical operating, service or repair manuals                 | 6                       |
| Use hand or power tools   | 2                       |
| Use precision measuring tools or equipment                                | 17                      |

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
